## DEDICATION

Mrs. Jessie Dunphy came to N. I. in 1914 to teach piano. She worked diligently for 42 years until 1956 when she retired. Through her devoted efforts many N. I. graduates have become accomplished pianists.

Mrs. Dunphy whose cheerfulness encouraged many N. I. students to success is now teaching piano in her home just as cheerfully as she did at N. I.

It is with many fond memories and much gratitude that we dedicate our Snitcher to her.

PRESIDENT

Dr. T. S. Jenkins

Governor John E. Davis
